## President's Report

Well what a difference a year makes !

After the disappointment of season 2010, finishing in ninth position and suffering the frustration of relegation, to be able bounce back and be part of a history making season has been outstanding.

The Club was able to secure the first Premiership since the merge between Parkdale and St Pats that occurred in 2004. The merge is now complete.

The success of 2011 did not occur overnight. A plan was in place from Round three in 2010, when it was plainly obvious that we were like the boy with the barrow; it was all uphill, and as the season progressed, this indeed was the case.

It was clear that some new personnel were needed to assist the Club to move forward, and so the search began.

The initial phone call to Mitch Grant, who I remembered as a 17yo playing Seniors at St Pats, did not bear a lot of fruit, but at least the dialog had begun, and even at this early stage, I realised I was on the right track.

With the subsequent conversations with Mitch throughout the 2010 season, the penny dropped that he was not keen on the coaching caper, however he suggested that former team mate Sam Radford may be keen to begin his coaching career.

Mitch also gave me the undertaking that if we were able to secure Sam as the Senior Coach, he would return to play, after having a year off.

After consultation with Paul Sullivan, who knew Sam, and the Coaching Sub-Committee, a meeting was arranged at The Bay in Mordialloc between Paul, Sam and myself, where Paul put a fairly compelling case to Sam as to why he should take up the challenge of coaching the Vulture's in 2011.

After meeting Sam that day, I knew it was imperative that the Club needed to secure Sam's services for the 2011 season. After a few days to consider his position, an interview was arranged between Sam, Mitch Grant and the Coaching Sub-Committee, where Sam was duly appointed, and as they say, "the rest is history". I love it when a plan comes together.

The pre-season began with lots of hope, good numbers on the track, some exciting new recruits, and some players from last year growing into their bodies over summer. We played Cheltenham in the first pre-season game, ending with a positive result. Our next challenge was Mordialloc in a triple header, with a similar result, and our first piece of silverware, the Ripponlea Cup was back in the trophy cabinet.

The stage was set for an excellent season although the triple header against Mordialloc was not as financially successful as in previous years, due to the fact Mordialloc choose not to stay and socialise. It may be time to approach another Southern club that may be more competitive, I however still believe the concept of playing against Southern league clubs has merit in that it gives us the opportunity to showcase Amateur Football to our valued sponsors and supporters.

In what proved to be a history making season for the football club let me take this opportunity to thank coach Sam Radford, together with his assistants Josh Radford, Heath Tregear, Tim Scott-Branagan, Mark Sweeney and Richard Maloney, who was brought on board as the Leadership Coach, which proved to be a highly successful initiative.

The quality of these individuals was outstanding, not only as football coaches, but as people, they brought so much to the Club, and it is certainly a better place now.

I would also like to take this opportunity to thank and congratulate the Reserves Coach Kris Little, together with his assistants Scott Boland and runner Peter Fatouros on their season, again proving we really did have quality people on our coaching panel.

This year the club was fortunate to field under 18s with the help of Mordialloc Braeside Junior FC, which hopefully has set the foundation for us to have a strong, mutually rewarding relationship, for many years to come. The Vultures are very grateful for the assistance of the parents and players from MBJFC..

I would like to thank the Under18's Coaches Tony Sheehan and Tony Smith, together with Peter Chitty, Glen Nixon, and the other parents, who worked tirelessly to keep the boys motivated, sometimes under difficult circumstances.

It was a disappointing end to the under18s year, when some poor behaviour of a few individuals on their football trip, brought the Club's good name in to disrepute. The boys need to remember that when they are away from the Club they are still representing the Club, and in future, poor behaviour will not be tolerated.

I would recommend in the future, the Football Club has a dedicated Committee person to oversee the Colt's side, and to assist with their management.

I would also like to acknowledge the work of Terry Symonds for his ongoing support with organising and suppling umpires, water boys, and scoreboard attendants from Mordialloc Braeside.

The trainers headed by Paddy Young, and organised by Committee member Steve Perazzo, also proved to be a magnificent asset to the Club, so thank you on behalf of the players and the Committee.

The Club again was well served again by a large band of volunteers committed to helping in many positions to keep the Club functioning effectively. Without these people the Club would find it very difficult to exist. They are truly exceptional people.

I would like to take this opportunity to individualise some outstanding people. A big thank you must go to Anne & Phil O'Meara, Geraldine & Kevin Sullivan, Maree & Peter Fatouros, Nanette Perrazo & Ian Thomas as Timekeepers, Darren Sheehan & Wayne Benton as Team Managers, also to the Chefs on Thursday nights, Brett Sebire, Kevin Sullivan, Greg McLeod, and of course the great man, Mark Ruddy, who again provided restaurant quality meals.

Thank you to those people from the bottom of my heart. Again we held a volunteers luncheon, which is a small way thanking the countless volunteers in the Club, and this again, proved to be a great success.

The Club's Committee was hardworking and effective, and I would like to take this opportunity to thank each one of them for their contribution this year. They each fulfilled their roles diligently, with very little recognition. I would like to pay special tribute to Vice President Mick Sullivan and Secretary Justin McCarthy who worked tirelessly for the Club.

The Social Committee, headed up by Mick Meyer and Steve Sullivan, again proved the Vultures sure know how to party, with some cracking events including the Cocktail Night, the Comedy Night, and of course the famous Ladies Lunch, which is organised by Debbie Boland and Alison Linthorne.

The Grand Final Breakfast held inconjunction with Kingston Saints CC, and organised by Darren Fenech and his band of helpers, again proved to be a marquee event, with a crowd of over one hundred attending. It should be remembered that it was a difficult year socially, with the Social Room toilets being out of action for over ten weeks. So to everyone involved socially, thank you so much.

The Super Rules this year were coached by Shane McDuff, and just missed on playing finals.

The Club is truly fortunate to have this group a people involved in the Club. They enjoy each other's company, and play their footy in the right spirit, with commitment and a genuine love of the game.

I would like take this chance to thank Shane McDuff, Darren Whyte, Bobby Sherriff, Glen Davies and the Super's Committee, and the rest of the boys for their support this year. This year the Supers had a difficult year, not being able to use the ground for training well into their season, thus making it a little difficult to recruit players and to socialise.

Mordialloc showed their true colours, and were not willing to compromise and share the ground with the Supers for training. It was fantastic to see the Super's boys back at the Club on Grand Final Sunday to celebrate the Senior's Grand Final victory.

This year the Supers took a major step towards becoming self-sufficient, by securing sponsorship in their own right. They really are an untapped resource that the Club is lucky to have playing under the Vulture's banner.

Any retired Senior player still silly enough to want have a game every fortnight, could do lot worse than have a run with the Vulture's Supers.

Season 2011 saw the Club make a modest profit.

It should be remembered that with the toilets out of action for over half the season, and the Supers unable to use the ground to train and socialise for most of their season, a reflection in the income earning was noticed.

With the introduction of the Under18 Colts there was a substantial cost involved in fielding the side, so the end result, a modest profit and a flag, is a pleasing result for the Club.

The major raffle was very disappointing with a little over half the tickets being returned. Players must remember that we cannot keep subs the lowest in the league without supporting these fundraising initiatives.

It should also be remembered that winning a Grand Final does have associated costs such DVD production and extra catering over the Grand Final weekend.

This year the Club only made one capital purchase, the televisions in the Social Rooms to display Sponsors and Club events. The club was very fortunate to have a heart defibulator donated by our generous sponsor Bendigo Bank.

Sponsorship was down this year due to a few factors, including the fact we dropped a grade, the current Global economic conditions, and the fact we were not able to service Sponsors as we have in previous years this is an area.

The Club needs to commit more resources to sponsorship, as it is a very important factor for our survival, and we must do better in this department.

I would like to take this opportunity to thank our Major Sponsors Bobby Wilson, Chris Fenaughty, Angelo Mercuri and the staff from Bendigo Bank, Greg and Dan Wallace from Ripponlea Motors, and a special thanks to Matthew Cox from Buxton Real Estate, who retained his club sponsorship and this year also supplied new jumpers for the super rules side.

This year the 100/100s player welfare coterie group, signed about 39 members. Membership has declined over the past couple of years, and as supporters we need to address this issue. It should be remembered that funds raised go directly to players for equipment, financial hardship, and to subsidise the cost of out of pocket medical expenses. Thanks to the efforts of Darren Sheehan, Ross Venuto and Glen Boland. The members enjoyed their annual luncheon at the end of the season, with many taking home some excellent raffle prizes.

I am pleased to report this year, with the Committee's agreement, the Club continued its philanthropic efforts, with a donation of \$600.00 to Haemophilia Victoria, which is very close to all our hearts, and \$100.00 to the Multiple Sclerosis Australia. I hope that in the future the Club will be able to continue the philanthropic values it has displayed over the last couple of years. We should all be very proud.

After countless hours over the last couple of years, it was great to see the toilets finally being transformed from the third world standard to a modern convenience that the Club desperately needed. To our number one ticket holder the Mayor of Kingston, thank you and your staff very much.

I would like to thank Brett Sebire and Mark Davies for keeping club records up to date and producing this year's annual report.

I would like to congratulate the award winners in Seniors, Reserves, Under 18's and the Supers. I would also, on behalf of the Club, congratulate Ian Thomas and John Noonan, the two newest inductees to the Life Members Club.

Next year the Club welcomes Luke Borella to the coaching staff. Luke comes to the Football Club with an excellent reputation, and I am sure he will be an excellent addition to the already wealth of riches of our coaching staff.

In closing, I would like thank all players that wore the Vulture's jumper in 2011.

This year proved that it takes not only the twenty two players who run out on Grand Final day, but it takes a squad of players committed to the cause from November.

There is no reason, with the same commitment we showed last season, that the result we achieved, cannot be the same in 2012.

Winners Are Grinners And Losers Can Please Themselves

Go Vultures !

GEORGE CLARKE  
President

## Secretary's Report

Season 2011 promised a lot, and delivered on all levels.

A Premiership in the Seniors, Reserves playing Finals, and a competitive Under 18's team laying the foundations for future years.

I would personally like to congratulate the coaches of all three teams for their performance and commend the entire Committee for their work off the field to facilitate this success.

It was certainly a busy year off the field with some major developments including:-

- new toilets in the clubrooms
- Parkdale joining the Good Sports Program
- the club entering a Colts team in the SFL.

In terms of the toilets, that was mainly due to the planning put in place by the past Committee, and I'd like to thank the Kingston Council for the new facilities. Hopefully the next order of business will be getting the lights and goal posts fixed as a priority next year.

Parkdale Vultures is now part of the Good Sports Program aimed at the responsible serving of alcohol. We are on Level 1 currently but have the right attitude and responsible practises to move up to level 2 and 3 in the future.

Having our senior teams in the VAFA and Colts team in the SFL did provide a few challenges from an administrative point of view, and although the Club is committed to the VAFA Seniors/Reserves/19's option next year, I would like to publically thank the SFL for their assistance this year, and commend them on the way their 18's competition was run.

There is still a possibility of a second 18's/19's team playing in either competition next year, but only if large numbers at pre-season make this a viable option, and there are enough volunteers to cover two teams.

I would like to thank Peter Chitty for his assistance in running the administrative side of the Colt's team, and also thank those people from past Committees whom I sought advice from during the year, such as Michael Walsh, Mark Davies, Ian Thomas, Darren Fenech and Brett Sebire (who also put together the Annual Report).

It is very important at a football club to pass on experience from previous years to ensure things run smoothly for future Committees.

With a new baby arriving shortly and the possibility of a new job , I will not be taking the role of secretary next year however I will certainly stay involved and assist the person taking over my role.

It was a spur of the moment decision to take on the role this year when we were struggling to fill the executive, but I am extremely pleased that I did.

Having been off the Committee for a few years, I certainly appreciated how much more enjoyment you get out of the club if you are actively involved, and I definitely enjoyed the Premiership far more this year, knowing I had played a role within the club.

Good luck to all involved for season 2012

JUSTIN MCCARTHY  
Secretary

## Superules President's Report

The start to our 2011 season was not ideal.

We were forced to train away from Gerry Greene Reserve due to Mordialloc Football Club being given sole use on Wednesday nights, as organized by our friends at Kingston Council.

A big thank you to Tony Smith and the Cheltenham Panthers Junior Football Club for giving us somewhere to train.

We had some new players come into the team this year. It was great to see Chris Barr, as a past player of the Club, come back and really give the team something both on and off the field.

We will continue to work closely with the Senior team and encourage all past players to come down for a run and enjoy the Family atmosphere, a great social environment, and a competitive game every few weeks.

I would like to thank George Clarke and the Senior Committee, on behalf of the Superules team, for their continued support throughout 2011. I've personally enjoyed being part of the Senior Committee this year and will continue to work closely with the incoming Club President to make sure the relationship continues to grow.

Thank you to Shane McDuff, who I thought did a terrific job in his first year as Coach, and certainly has the support and respect of his fellow team mates. Shane was well assisted this year with the support of Dave Goodchild and Tony Smith on training nights

I would like to thank all the members of our Superules Committee for their support of our team throughout 2011.

Thanks to Bobby Sherriff for his work both as Secretary/Treasurer, and assisting with various tasks such as goal umpiring on game days, Glenn Davies for his work as team manager. Carmine Angelone, Gary Hanson, Danny Williams and Nick Linford for assisting with various tasks throughout the season, much appreciated.

A special thanks to Mark Ruddy for all that he does in support of our team and the Club in general, and Stephen Troop for volunteering to be Goal umpire at home games.

A big thanks also to all our young volunteer Boundary umpires, scoreboard helpers etc.

Thanks to Pete and Linda for their assistance in the canteen at home games, and being a great support of our team throughout the year.

Billy and Johnny for their assistance behind the bar and support throughout the year, and our volunteers who assist Carmine with after match food.

Finally, on behalf of the team and the Parkdale Football Club, I would like to especially thank our Sponsors. Without them we would not be able to field a team, let alone enjoy social functions, and of course, our end of season footy trip.

To Buxton Real Estate (Matt Cox), Fineform Joinery (Andrew Carter), DTA Quality Tools (Shaun Cozens), Lowe Financial Group (Miguel Frances), The Letterbox Shop (Chris Dwyer), JG King Projects (Ryan L'Huillier), thank you very much.

We will be recruiting over the Summer months, and I believe with a few extra players and a bit of luck with injuries, we will have a team to challenge for finals 2012. Looking forward to next year!

Darren Whyte  
Superules President

## Coach's Reports

### *Senior Coach's Report*

We started the season way back in November 2010. It was very pleasing to get over 40 players to each of our pre-christmas training sessions.

The pre-season was solid and certainly built the foundations for our successful season. There was a great feeling amongst the playing group with quite a few new recruits introduced Mitch Grant a past player returned along with Mark Haynes, Dave Robbins, Darren Andrews, Peter Capsalis, Ricky Hayward, Claye Tobin and Chris Lacy.

As the pre-season commenced we were lucky enough to attract some more quality experienced players such as Lachlan Oakley, Chad Ryan, Paul Groves and Sam L'Huillier. The club was also buoyed by the return of quality players such as Matty Ryan and Bryn Richards from overseas.

These recruits added to the young and emerging talent already at the club ensured we would be competitive in 2011.

We started the season with one goal in mind and that was to improve as a team and improve as individuals. After some tough moments throughout the season we certainly accomplished this.

Injuries and form forced us to play 42 players in the seniors to finish second really showed the depth and quality of the group.

For the Reserves to play finals and for the Seniors to win the premiership, really showed just how far we have come in 2011.

It took time for players to understand the football we wanted to play and what is expected at Parkdale. But the improvement and development of many players was clearly the most pleasing aspect of the season. Many players improved which was directly as a result of their commitment and effort to making themselves better players and making the club better. Seeing players arrive early to training or stay behind to work on their game was very pleasing and this desire to get better was certainly the driving force for us succeeding.

I would first of all like to thank the coaching staff who excelled this season at identifying talent, designing and implementing our style of play and understanding the competition. The contributions of each member of the coaching staff was critical to the success we achieved as a club. Thanks to assistant coaches Josh Radford, Heath Tregear, Mitch Grant, Mark Sweeney and Tim Scott-Branagan.

I would also like to thank Kris Little and Scott Boland for their efforts with the Reserves. I would like to thank all those involved in getting the U/18's up and running. We saw hopefully the start of a successful development program for the club.

I would like to thank Darren Sheehan for his reliable work as team manager. I would also like to thank the board lead by President George Clark for their continual support throughout the entire season.

Thanks to the medical team led by Pat Young. Thanks to all our supporters and members for their all year support both at training and on game day.

Finally I would like to congratulate and thank all players who represented Parkdale in 2011.

Your efforts and attitudes were the reason we achieved success.

I hope as a club we enjoy what we have achieved this year, and then we move forward and start the hard work to get even better in 2012.

SAM RADFORD  
Senior Coach

## *Reserves Coach's Report*

After not winning a game in 2010, we were looking forward to getting back on the track and taking on the challenges that D1 football would bring us.

With new Coaches onboard, there were good numbers on the track throughout the pre-season. We brought the pre-season form into the practise matches, and were able to win those quite comfortably.

The buzz going into Round one was fantastic, and Williamstown would prove to be a good test. We were able to get our first win on the board since 2009.

The attitude and enthusiasm continued, and we were able to reel off our first 6 games of the season and go into Rd 6 one of three undefeated teams.

We played Banyule and Old Geelong in round 7 and 9 and they showed us in these rounds that we were still a little way off the mark, and had some work to do if we wanted to be the top team.

After the half way mark we were sitting pretty at 7 and 2, and continued on our way, winning our next 4 games to go to 11 and 2 for the season.

In Rd 14 we played Whitefriars and they showed us again that we still had some work to do by beating us on our home ground.

Banyule and Old Geelong beat us again, but at the close of the season we had finished 3<sup>rd</sup> with 13 wins and had become the first Parkdale Vultures Reserves side to make the finals.

We played Whitefriars in the 1<sup>st</sup> Semi Final and were excited but ready for the challenge that they would present us after they beat us at home last time we met.

This match proved to show how much fight and determination we have, but also magnified our major weaknesses and unfortunately for us, they outweighed the positives, and we went down by 15 points.

While it was fantastic to make the Finals and show so much improvement from one year to the next, it was still disappointing to get so far and not achieve the ultimate goal.

I hope that the loss acts as a motivator for everyone that played Reserves, and we work harder and train harder to achieve our goals in C Grade next year.

Congratulations to everyone involved in the Seniors, and thanks to everyone that has helped out throughout the year in both the Reserves and Seniors.

We look forward to 2012 and showing C Grade that we are willing to work hard to achieve the success we are after.

KRIS LITTLE  
Reserves Coach

## ***Under 18 Coach's Report***

The Southern Football "Colts" League was made up of 12 teams at the start of season. Mordialloc dropped out about a third into the season due to a lack of players, leaving 11 teams. Parkdale finished 7<sup>th</sup> after a "slow" start to the year.

Unfortunately I was not around pre-season and therefore cannot comment on this.

Numbers at the training sessions prior to the first game totaled about 15 to 20.

Our first game saw a side of only 14 players, however as the season progressed these numbers grew to a point where we were able to field a "full side". Midyear injuries, players away, and demands of Mordialloc Braeside then took their toll and by season end once again we struggled to make sides.

The "main core" group consisted of about 15 players all committed both at training and games. Our win/loss ratio of 8/9 was exceptional, winning all games that we "should" have won. The players displayed a never give up attitude throughout the entire season, with several last quarter comeback wins.

The competition was quite mixed in standard with about one half the sides very strong compared to the rest. Even when playing these sides and getting "well" beaten, we maintained a positive outlook and remained competitive at all times, often restricting them to respectable winning margins.

### **Season Positives:**

- Training and on field numbers increased during season
- Player development in:-
  - Commitment
  - Adhering to game plans
  - Respect of each other, opposition, umpires and Parkdale club

In my opinion we will see about five players play Senior 1<sup>st</sup> football and a good chance of others developing into good senior players and "club people" in the future.

### **Season Negatives:**

- Lack of numbers – insufficient to be competitive against stronger sides and insufficient to discipline players as all were needed on game days
- Lack of support from senior players and officials at training and on game days
- Injury – losing several players to season ending injuries
- Only one game being able to field a full side with a full bench

### **Things to Learn:**

- More integration with Senior side – maybe train one night a week with Senior side.
- More integration off field and maybe a "mentor" program with Senior players
- Sharing team plans/strategies with all sides
- Developing more junior Clubs to source players, which needs to start now for 2012 and 2013 seasons
- Code of conduct both on and off field to guide players and help them develop into Senior Football Club culture.

In summary I think we have built a great foundation for the future of the Club. As a Club we must continue to develop young players as footballers and club people.

I would like to thank Parkdale for the opportunity to Coach, Tony Sheean for co-coaching and help for the season, Pete Chitty, Team Manager, and all other parents and officials for their input during the season.

Let's build on this start for the future of Parkdale.

TONY SMITH  
Under 18's Coach

## *Superules Coach's Report*

2011 started as my first ever season as a football coach, and I must say it was a very pleasant and enjoyable initiation.

Firstly I have to thank the Parkdale Superules Committee for their tremendous work "off" field, to ensure that everything ran smoothly through the season, leaving me only concerned with Wednesday night training and match days.

I must also say special thanks to Mark "Bobby" Sherriff and Glen Davies for their work on the boundary each match day and especially Dave Goodchild whose work as Assistant Coach was excellent.

These blokes, the Committee, and all of the other selfless volunteers around the Club personify what Supers footy is all about, and we certainly would not have a Club without them.

Now to on the field. We started training unofficially in November last year, with the official sessions starting in early February 2011. The commitment and comradirie of the boys during pre-season was fantastic, and we saw pretty consistent numbers throughout.

Whilst serious at times, training was always enjoyable, and in the True Super's spirit - ie a few beers and shit hanging after a session! This too brings me to a big thank you to Mark, who cooked the BBQ for us nearly every pre-season session and during the season.

The overall performance during the season proper was one of consistency and genuine effort every week (with a couple of exceptions).

The highlight games for me were against Mornington Raiders and Bayside Saints. We have always had tight, tough games against Mornington, and this season was no different. It saw us playing at their ground (again), and after getting off to a flying start, it was a tough and hard fought battle all day. At 3 qtr time I asked the boys to dig deep and that is exactly what they did. We came away with a 1pont win, but it was the 1st time we had beaten them in 4yrs or more.

Bayside was another away game, and although we didn't get the points, it was the best 4 quarter game for the season. We were up against the eventual premiers, and, given that our finals aspirations were all but over, there was only pride to play for and the boys certainly did that. The effort by every player both individually and collectively as a team was exceptional.

Whilst we ended up missing the finals this year, I feel that we made some good improvements, and very much look forward to what 2012 brings.

Shane McDuff  
Superules Coach

## Treasurer's Report

The achievement of a premiership and an operating surplus (albeit a modest surplus) signifies an excellent result if you're a Treasurer of a Football Club.

Whilst the result for 2011 is below what had been reported in 2010, the result for that year had been inflated by a number of non-recurring revenue items:-

- Bad debt (sponsorship) recovery;
- Monies received from the AFL following the drafting of Rohan Kerr;
- Rental income received from Mentone Grammar for the use of the clubrooms.

It must be noted that the Committee again decided this year that any increases in revenue items would be kept to a minimum to encourage members/supporters to attend our matches and support the teams.

Unfortunately, we were not aware of Kingston Council's decision that they would renovate the toilets at the start of the season, and in particular, the time that it would take for the works to be completed. A consequence of the delay was that bar revenues were adversely affected, and a number of social events for the year were also curtailed.

It was also unfortunate that the club did not achieve the same level of success this year that we had achieved last year with the travel raffle. Members need to understand, the success of a raffle can provide the Club with funds that assists the Club in the payment of our bills during the pre-season, e.g. early payment of our affiliation fees, and to invest in player facilities.

Unfortunately the level of support that we received from our sponsors in 2011 was also below what we had received in 2010. The reasons for the decrease were as follows;

- A delay in the receipt of a payment due from one of our sponsors (whilst it is expected that we will receive the funds later this year I am reluctant to report the full amount as a debtor in our accounts);
- Some of our sponsors, whilst continuing to support us, have reduced the level of sponsorship (they have often cited the current business environment).

Therefore, I think that the reporting of a surplus in a difficult environment is a satisfactory result, when it is considered that the Club did decide that it would:

- Field an U18's team in the Southern Football League (this may be seen as an investment in the club's future, that has ramifications for not only this year but also future years);
- Increased expenditure on training staff and equipment;
- Purchase of a new set of players' jumpers (22) (this was overdue expenditure as we had not purchased any new jumpers for a couple of years and there were a number of new players to the club).

The Committee also decided that the Club would continue with the practice from prior years, of keeping player subscriptions at a level that does not cover our costs of fielding all of our teams each week.

To provide the members with an idea of what it costs each week to field three teams during an 18 match home and away season, is approximately \$1,200 per week (this includes, affiliation fees, trainers, umpires, and water boys). Furthermore, I would anticipate that this cost will increase further next year due to our promotion to a higher grade.

Consequently we must rely upon other fund sources, and in particular bar sales and the canteen. Despite the revenue shortfalls this year we did achieve success with a number of social events, highlighted by the Comedy night and the Grand Final Breakfast.

Despite the tougher conditions this year, Geraldine Sullivan, Anne O'Meara and Aunty Kate and the other ladies who assisted during the year have again ensured that the Club's canteen is run efficiently.

### The Year/s Ahead

Moving forward I think that it is imperative that the Club continues to develop income streams outside of the traditional bar sales that for some Clubs represent their primary income source. We also need to ensure that funds continue to be available to be invested in the Club and facilities for the players.

Finally I would wish to acknowledge the support that I have received from the Committee, players and supporters this year and look forward to continued success for the Club in season 2012.

WAYNE BENTON  
Treasurer
